1. What was the **context** in today's passage? What was going on and for what purpose was this passage written? An opportunity to check on understanding.
2. How does this passage/teaching point to **Jesus/the gospel**?
3. How does this **impact our lives** whether it be challenges or encouragements?

There may be a temptation to go straight to point 3 but try your best to do 1 and 2 first!
