

God's people are salt and light

This can be found in Matthew 5:13-16

think

Taste some salt on your tongue. How does it taste? Why do we put salt on our food?

Turn on a light! Why is light a good thing?

discover

Read **Matthew 5:13-16** where Christians are described as salt and light.

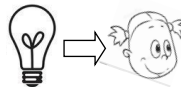

Draw a picture showing what is described in these verses.

Salt that doesn't make things tasty is useless. (v13)

Christians must live differently, making others' lives better.

Everyone can see a city on a hill, because of its lights. (v14)

Christians are to shine God's goodness for everyone to see. (v16)

discuss

How could you live differently from others to show that you love Jesus?

Who could you pray for, that they would love God too as they see the good lives of Christians?
